

“An Advocate & Voice For Teachers & Parents”

I Believe In:

- Supporting policies that enhance teaching and learning in the classrooms
- Competitively attracting and keeping quality teachers
- Increasing and enhancing the use of technology in the classroom
- Providing safe and comfortable classroom environments
- Working with County Commissioners to increase resources for our schools in fiscally responsible ways

-  Graduate of ABSS schools
-  Parent of children currently in ABSS schools
-  Long-time resident of Alamance County

“If elected, I will listen to teachers, parents, and members of the community in order to support policies which will enhance teaching and learning in our schools.”
